## FREQUENTLY ASKED QUESTIONS

**Transform, in cooperation with the U.S. Consumer Product Safety Commission, is voluntarily recalling units of the Essential Home “Belmont 2.0” 4-Drawer Chests that Transform distributed on or after February 11, 2019 (the date that Transform acquired certain assets of Kmart).**

**Q. Why are the chests being recalled?**

**A:** The chests were sold at Kmart stores and online at Kmart.com from March 2018 through April 2020 for about \$60.

**Q. How can I identify if my Belmont 2.0 chest is part of the recall?**

**A:** The recalled chests have 4 drawers, measure approximately 29.8 inches in height and 27.7 inches in width, and were sold in four colors including black, pine, walnut, and white. The manufacturer’s name, “Kappesberg Moveis,” and the model number “F214” can be found on the instruction manual that came with each chest.
